

Landford Parish Council

Clerk's Corner

Message from the Landford Parish Chair (extract from the 14th August 2019 meeting):

“I am sure you have all heard the sad news that Barry Bennet passed away in hospital in this week. Barry was a previous chairman of the Parish Council and had spent a great deal of time on getting the Landford Village Hall off the ground and administering its maintenance and daily activities. I would like on behalf of the Parish Council to pass on our condolences to his family and express our gratitude for all his work he carried out on behalf of the Parish.”

General updates:

The Landford Defibrillator has arrived and arrangements will be made in the coming month to install it. Thank you to the Defib. Group for their hard work to make this possible and who have taken on the installation task and ongoing weekly defib checks.

A huge thank you to the Footpath group who have been out in all weathers to clear the blocked path near the garden centre. A particular thanks to Mike Craddock who is the point of contact for the group and regularly helps advise the Parish Council on footpath issues.

Remember:

- Copies of the footpath booklet are available from Landford Village Stores – grab a copy and explore our Parish on foot.
- It's always good practice (and a legal requirement on 'open access' land) to keep your dog on a lead around farm animals and horses, for your own safety and for the welfare of the animals.

The last few months have been filled with lots of thinking and it is with a heavy heart that I report that due to family commitments, I have handed in my notice to Landford Parish Council; I am however committed to a smooth transition to the new Clerk and happy to discuss the job with anyone interested in this fantastic role. Please contact us by emailing David Wilson (Chair, Landford Parish Council) at landfordrec@btinternet.com to request an Application Pack. The closing date for applications is 7 September 2019.
