

Landford Parish Council

Clerk's Corner

Quick update on last month's thanks regarding the lane behind the houses on Lyndhurst Road: I discovered that one of the households that back on to the lane also pop out and clear the path bushes to keep it accessible in the growing season – This is amazing and appreciated; as it is a key path in our community! Thank you to the households involved in this.

I would like to also say a huge thank you to the War Memorial Refurbishment group – They have had a successful meeting with the New Forest Nation Park Conservation contact and have started the refurbishment works on the War Memorial. The initial works of the step repair and painting the railings are great and the Memorial is looking well cared for – THANK YOU!

Now on a more sombre note:

- Vandalism? – We have had to report to the Police the broken glass in the Bus shelter by the Village stores. It was clearly broken by a small round projectile in the bottom left hand corner. If anyone has any information to help us understand the circumstances on this breakage please let the Police/Parish Council know.
- Landford Rec Toilets – The toilets were blocked recently and an outside drain contractor had to be engaged; Therefore a reminder to all that the only thing that should go down any toilet is the 3P's - poo, pee and paper please!

Community dates for your diaries:

- Fun in the Sun – free multisport coaching for children 5-11 years old in NML rec on Tuesday 30th July and August 6, 13 and 20th 2:30 pm – 4pm.
- Bramshaw Summer Cricket Course is on Tuesday 6th and Wednesday 7th August 9.30am - 1.30pm and Landford Rec.
- Litter Pick – Saturday 17th August meeting outside Landford Stores at 11am.

Date of next Parish Council Meetings:

- 14th August 2019 at 7.15pm in the Reading Room, Nomansland.
- 11th September 2019 at 7.15pm in the Blue room in Landford Village Hall.
