The application proposals do not appear to create any detrimental issues for neighbouring properties and the appearance of the new, extended and altered buildings do not appear to be visually unsympathetic to the locality. A significant oil pipeline runs through the application site on the northern side and the adjacent car park

			extension may cause issues due to restrictions which are required by the owners of the pipeline.
22/00041 (NPNPA)	Whitegates, Forest Road, Nomansland, Salisbury, SP5 2BW	Cladding	Unanimously agreed to recommend PERMISSION, for the reasons listed below, but would accept the decision reached by the National Park Authority's Officers under their delegated powers. The proposed decorative tile hanging will visually enhance the structure of the dwelling.
