Cllr Zoe Clewer (Wiltshire Council)

Good evening. For those of you that haven't met me yet, I am Councillor Zoë Clewer.

I was delighted to be elected to Wiltshire Council by the residents of Redlynch and Landford Division just over a year ago.

It hasn't been a normal year due to the pandemic in terms of Council meetings be they Parish or Wiltshire Council. It was not possible to meet Officers and colleagues in the way that would normally have happened.

That hasn't impeded the work I have been doing to help residents with all manner of planning, drains, footpaths, and many other types of issues.

I have been working closely with and getting to know Landford Parish Councillors, Community Speed Watch team and Landford Parish Community Partnership during the year.

I was very glad to see the 40mph Partridge Hill campaign come to fruition which is a result of many years unrelenting effort from the community.

My first year in post has included attending to many planning matters arising in the Division both within WC and NFNPA planning authorities, as I am also an appointee to the New Forest National Park Authority.

Over the last few months, I have been working with LPC, WC and NFNPA on the Housing Needs Survey and on waste disposal, particularly of donkeys getting into the waste bins on bin days in Nomansland. A WC Waste Management Officer came out to see what was happening on collection day and to hear from residents.

You can read more about this in the May edition of Horizon magazine.

I encourage all residents to report matters they find via the WC website or the MyWilts app (see below), such as line painting, potholes, drains, fallen trees – you can report almost anything direct to the correct department in that way.

I have been working closely with local Police, PC Pete Jung, Inspector Osborn, and the PCC on rural crime and ASB. My role is to share information with residents e.g. free Bike Marking event, encouraging the reporting of crime or suspicious activity on 999 if urgent or 111 and follow it up by emailing salisburyareapt@wiltshire.police.uk

- a) because your report may be the piece of evidence that allows a crime to be solved and
- b) because with accurate statistics we get a better settlement through the Police funding formula.

There is a Police recruitment drive happening as we speak, and more officers are expected to be deployed in the South of the County where rural and cross County crime are a big issue for the community.

I do my best to put information from WC, the New Forest, Police, upcoming roadworks and anything else of interest out into the public domain using my Facebook page and for those not on social media I have begun to give a summary in Horizon magazine and Landford Parish Directory.

Thank you.

Cllr Nik Bishop (Chair) - on behalf of Landford Parish Council

- Despite COVID during 2020-21, the Parish Council continued to convene to conduct business.
- New play equipment installed at NML Play Park.
- Lease Agreement now in force between Landford Parish Council and 360 Degrees Coaching for the Nomansland Rec Grd.
- LPC's source of funds through the 2022/23 Precept was intentionally reduced from £48K to £40K to help ease the financial burden placed on our residents during this current financial crisis.
