

Landford Parish Council is seeking Volunteers

Sadly the iconic red telephone box in Hamptworth has fallen into disrepair. Your Parish Council wishes to form a small team to help renovate and preserve this local landmark. The Parish Council has set aside funding to support the project but needs practical support to make it happen.

Are you able to volunteer your time or expertise to join this group?

Please contact the Clerk for further info and/or to volunteer on 07421 354039 or via email at clerk@landford.org.uk
