Community Event Planning

Our Wiltshire Police website has recently been updated with some guidance around event planning. Details can be found here - <https://www.wiltshire.police.uk/article/1068/Planning-or-organising-an-event>

When notifying Police/ Council, please give as much notice as possible to allow for forward planning. Road closures and licensing applications have strict timelines which need to be followed.

Police cannot provide events equipment such as 'slow signs' or 'no waiting cones'. We would encourage local established events to share equipment, advice and expertise with other local group across parishes and community areas.
