

Landford Parish Council

Clerk's Corner

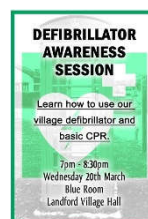

A huge thank you to everyone who volunteered to help with the refurbishment project for the Nomansland Well of Sacrifice (War Memorial). I apologise that I have been slow in responding but hope to get a meeting organised for the volunteers by the end of March.

February Highlights:

- The Parish Council now have a Facebook page on which the communications group aim to post information in parallel with the Website news section.
- The Council applied for and were awarded two grants towards the fence and gate work in both recreation ground play parks – thanks to Cllr Waltham and Cllr Bishop for supporting and representing this application.
- Tree work in Maybush Copse, along with the ordering of bird and bat boxes, has been organised by Cllr Parker – thank you to the residents of Beech Grange that have agreed access to their gardens for the tree work.
- The emergency Parish Plan is being co-ordinated with Wiltshire Council and worked on by Cllr Bonney and Cllr MacLachlan.
- The Parish Steward has worked four days in conjunction with Cllr Hewson since the start of the year, concentrating on potholes and cutting back encroaching vegetation on footpaths. Why not give them a smile and a wave when you next see the Parish Steward!
