

CALL FOR COMMUNITY RESILIENCE VOLUNTEERS

The Council is seeking volunteers from within the Parish to assist the Council's Flood Warden.

Would you be interested in helping identify trouble spots as they arise, or assist any residents who find themselves subject to flooding or other severe weather events? Do you own a 4x4 vehicle or have any first aid experience? If so, do please contact our Flood Warden, Cllr Adam Hills (cllraddamhill@gmail.com) or our Clerk, Estelle Sherry (clerk@landford.org.uk), who will be happy to tell you more about the available roles.
